

September 27, 2024

Unilux HVAC Industries Inc. places No. 174 on The Globe and Mail's sixth annual ranking of Canada's Top Growing Companies.

WOODBIDGE, ONTARIO

Unilux HVAC is pleased to announce it has ranked No. 174 on the 2024 Report on Business magazine's ranking of Canada's Top Growing Companies.

Canada's Top Growing Companies ranks Canadian companies on three-year revenue growth. Unilux HVAC earned its spot with three-year growth of 263%.

"This accomplishment was made possible by the hard work and dedication of our team and our commitment to a customer first culture across the company. Thank you to our customers and partners across North America who continue to place their trust in Unilux to make their projects a success and to our suppliers who have grown with us. We look forward to continuing to grow and improve for years to come."

-Alex Heisz, President Unilux HVAC Industries Inc.

Canada's Top Growing Companies is an editorial ranking that was launched in 2019 to celebrate the achievements of innovative businesses in Canada. To qualify for this voluntary program, companies had to complete an in-depth application process and fulfill revenue requirements. In total, 416 companies earned a spot on this year's ranking.

The full list of 2024 winners along with editorial coverage is published in the October issue of Report on Business magazine. The list is out now and online [here](#).

"Our annual ranking of Canada's Top Growing Companies reflects the sector-spanning ingenuity of this country's entrepreneurs and corporate leaders," says Dawn Calleja, Editor of Report on Business magazine. "And we think it's important to tell their stories, to help inspire the next generation of up-and-comers across the country."

"The Globe and Mail congratulates this year's Canada's Top Growing Companies' winners for achieving exceptional growth and resilience in facing business challenges," says Andrew Saunders, CEO of The Globe and Mail. "It is a testament to dedication, strategic vision, and innovative drive."

About The Globe and Mail

The Globe and Mail is Canada's foremost news media company, leading the national discussion and causing policy change through brave and independent journalism since 1844. With our award-winning coverage of business, politics and national affairs, The Globe and Mail newspaper reaches 6.2 million readers every week in our print or digital formats, and Report on Business magazine reaches 2.9 million readers in print and digital every issue. Our investment in innovative data science means that as the world continues to change, so does The Globe. The Globe and Mail is owned by Woodbridge, the investment arm of the Thomson family.

About Unilux HVAC Industries Inc.

Unilux HVAC has been a driving force in the residential high-rise HVAC industry, evolving alongside changing lifestyles and consistently improving our products to provide unmatched comfort and convenience for modern living for decades. Since originating as a vertical stack fan coil manufacturer (formerly Unilux VFC) in 1972, Unilux HVAC has expanded into a leading vertical stack heat pump supplier as well as offering unique technologies such as our patented integrated ERV system and horizontal HVAC solutions. Specializing in high-performing, low-maintenance HVAC equipment, our systems prioritize energy efficiency, elevate indoor air quality, and provide comfort to over 500,000 homes across North America.
