Unilux HVAC Industries Inc. soars to No. 107 on The Globe and Mail's seventh annual ranking of Canada's Top Growing Companies, marking a significant leap from last year's No. 174.

WOODBRIIDGE, ONTARIO

Unilux HVAC is proud to announce its rise to No. 107 on the 2025 Report on Business magazine list of Canada's Top Growing Companies, climbing from No. 174 last year. This marks the second consecutive year the company has been recognized on The Globe and Mail's prestigious ranking.

Over the past three years, Unilux HVAC has achieved an impressive 329% revenue growth and grown to a team of more than 200 employees, solidifying its standing among Canada's fastest-growing businesses. This recognition underscores Unilux HVAC's ongoing commitment to innovation, excellence, and a strong market presence.

"This achievement reflects the dedication and resilience of our team, as well as our unwavering focus on putting customers at the center of everything we do. We are deeply grateful to our customers and partners across North America for their continued trust in Unilux HVAC, allowing us to help bring their projects to life. We also extend our thanks to our suppliers, whose collaboration and growth alongside us have been invaluable. Looking ahead, we are committed to pushing boundaries, broadening our impact, and building on our successes to reach even greater heights."

- Alex Heisz, President Unilux HVAC Industries Inc.

The 2025 edition of Canada's Top Growing Companies recognizes the nation's most dynamic and innovative businesses. Companies are invited to apply voluntarily, providing detailed information and meeting established revenue standards. This year, 400 organizations earned a spot on the prestigious ranking, showcasing their growth and impact across Canada.

The complete list of 2025 winners, along with editorial coverage from Report on Business magazine published on September 26, 2025, is available online [here](#).
