

September 28, 2026

Unilux HVAC Industries Inc. ranks No. 197 on The Globe and Mail's Canada's Top Growing Companies 2026 list, marking its third consecutive year of recognition with 136% revenue growth over three years.

WOODBRIIDGE, ONTARIO

Unilux HVAC is proud to be recognized among Canada's top growing companies, ranking No. 197 overall and No. 21 in the Manufacturing category. This recognition reflects the company's strong performance and continued momentum, marking another significant achievement for Unilux HVAC within the sector.

Over the past three years, Unilux HVAC has increased its revenue by 136%, demonstrating the strength of the business and its ability to adapt. This success is driven by continued investment in innovation, quality, and manufacturing capabilities, along with a strong commitment to delivering customer-focused solutions. It also reflects the dedication of the people who contribute to Unilux HVAC's success every day.

"This achievement reflects the strength of our team and the determination that drives Unilux HVAC forward. We are proud of what we have built and grateful to the customers and partners who continue to put their trust in us. Their confidence has allowed us to play a part in bringing projects to life across North America, and those relationships remain at the heart of our success. We also want to sincerely thank our suppliers, whose dedication, reliability, and partnership have played an important role in our progress. We are proud of where we stand today and remain focused on what comes next. We remain committed to challenging ourselves, expanding our capabilities, and building on our progress as we continue to grow and strengthen our impact."

- Alex Heisz, President Unilux HVAC Industries Inc.

The 2026 ranking of Canada's Top Growing Companies highlights businesses demonstrating exceptional growth and innovation across the country. Participating organizations voluntarily submit detailed company information and must meet established revenue criteria to qualify. This year's list features 375 companies recognized for their impressive growth and contributions to Canada's business landscape.

The complete list of 2026 winners, along with editorial coverage from Report on Business magazine published on September 25, 2026, is available online [here](#).
